

Membership at Chichester Golf Club

Thank you for your interest in membership at Chichester Golf Club. By this end of this pack, we hope to have demonstrated to you why you should choose to Golf with us.

At Chichester Golf Club we have two 18-hole parkland courses, the **Tower** course with generous fairways making a good score possible, and the **Cathedral** course with picturesque lakes and stunning scenery but also one of the toughest front nines around. The 5th hole at 608 yards is affectionately called 'The Mother' of all golf holes, but we know you are up to the challenge!

Chichester Golf Club is also part of the Maple Leaf Golf Group, meaning you can have the additional benefit of playing at the group's sister clubs; Hill Barn, Worthing, and Horton Park Golf Club in Surrey for no extra charge if you choose our headline 7 Day Plus membership (Intermediate Plus if age 25-29).

To compliment the two 18-hole courses we have a 9-hole Par 3 short course and a covered floodlit driving range which features the first ever **Trackman system** in England! **Trackman** technology allows players to work on areas they need to, displaying crucial data from the ball's measurements - making it powerful practice tool. Whether you are playing alone or with friends, the new **Trackman** technology can improve your skills and have fun!

The driving range also has an extensive collection of targets and uses an automated teeing system this also includes a practice bunker and outside bays using Huxley Matts perfect to practice your short game.

Finally, when you have worked up an appetite you can enjoy some great food and drink served throughout the day in the Clubhouse, ideally located between the two 18-holes courses and has an extensive patio with pleasant views of the golf course and countryside beyond. You will also find the Jungle Java Café located by the driving range and adventure golf course, serving fresh Italian coffee, cold beer, and a variety of hot and cold snacks.

Our sister courses offer a fantastic range of courses and facilities. Hill Barn Golf Club has an 18-hole downlands course which was designed by Fred Hawtree in the 1930's and boasts magnificent views over the South Downs and the coast. Horton Park Golf Club has an 18-hole parkland course, 9-hole Par 3 short course, floodlit driving range as well as an 18-hole adventure golf course and 9-hole Footgolf course.

We have two principal types of membership to choose from at Chichester Golf Club depending on how often you like to play: * 5 Day membership (Mon-Fri) and *7 Day Plus membership (seven days a week, with no restrictions). There is also a *Flexi membership which means you only pay for the golf you play using credits. *(Terms & Conditions apply).

I hope after reading this you feel welcomed into Chichester Golf club and excited are to join us. If you have any further questions or wish to play and have a look around then please do not hesitate to contact one of my team.

Monthly Membership

If you choose to pay monthly by direct debit (subject to category) you will have the right to cancel your membership at the end of any month. Please note that if you decide to join again later you will be charged a joining fee.

Getting a Handicap

If you do not have a current England Golf – WHS handicap and you would like one, you will need to submit three score cards signed by another member who has a handicap, ideally this would include a score card from both our courses.

We can also arrange for junior members to achieve a handicap. You do not have to be able to get a specific score to gain a handicap as we operate a Club handicap system which goes up to 54. All you need to do to get this is complete three scorecards; it is that easy!

Changing Rooms

All members have exclusive access to the Member changing rooms located in the Clubhouse.

There are also lockers available in both the ladies and gentlemen's locker rooms which are available to use free of charge. We also have a limited number of lockers available for hire for the year to store your golf bag and clubs.

The Golf Club Network

Chichester Golf Club is part of the Golf Club Network (GCN) which is a network of 34 golf clubs around England that offer reciprocal playing rights. It is designed to give you, the golfer, the best of both worlds, you can be a member of the club you love and play at many other courses without breaking the bank.

To be eligible to arrange a round of golf under this arrangement you must be a 5 day or 7 Day Plus member and purchase a player's card from the Pro-Shop for just £10.00. Flexi, Intermediate, Young Adult and Junior members do not qualify.

GCN Members are entitled to play up to 5 rounds in one agreement year at any of the reciprocal Clubs. These rounds will be free of any Green Fee charge on weekdays and charged at members' guest rates on Bank Holidays and Weekends.
