## FAQ's

### **Where do I go for my first session?**

Please arrive 15 minutes prior to your start time and register in the shop located at the driving range where you will meet your group and golf coach.

### **What do I wear?**

Wear whatever feels comfortable. All lessons are held outdoors so please dress for the weather conditions on the day.

### **Do I have to have my own golf clubs?**

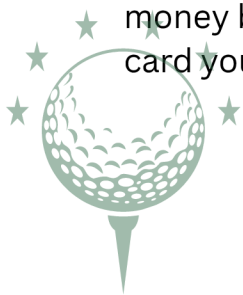

No, we will supply all the equipment you need but a small charge of £7 is made at each session for all practise balls used on the driving range. If you have your own clubs, just bring a 7-iron to your first session.

### **What happens if I cannot attend?**

If you are unable to make it to one of your weekly sessions, just drop us a line or an email to let us know why. Unfortunately we cannot re-schedule any missed lessons.

### **How do I get a refund after the first 4 weeks?**

If you don't love it, we will refund the £25 you paid at the start, as long as you attend every week. However, we do advise that you carry on to Improvers for an additional 4 weeks before you make up your mind - we will still give you your money back at the end if golf just isn't your thing. All refunds will be made to the card you originally paid with.

### **Can I join if I have played golf before?**

If you already know the basics and play on a regular basis, this programme would not be right for you. Our two, PGA professional coaches offer tuition to golfers of all ages and abilities, focussing on technique and strategy through personalised instruction and practice. In addition, we also run an 8-week course called 'Get Back into Golf' which helps golfers regain their love for the sport and build confidence to play more regularly this year. Please go to our website for more information and to book.

### **I don't want to commit to a membership for a whole year..**

No problem, PALP, along with a majority of all our memberships have the option to pay monthly, by direct debit. This means you can choose to cancel at any time.

### **Are the groups mixed?**

Yes, all the groups are mixed which makes learning golf more enjoyable, supportive, and realistic, especially for beginners. It also means you can share this new experience with a friend, work colleagues, spouse or partner.

### **Is there an age limit?**

Yes, you have to be aged 16 and over to join this beginner programme. However, we are excited to introduce Operation 36, an exciting new junior beginner golf programme.

This 6-week programme is the perfect introduction to golf for young newcomers, as well as juniors currently working within Levels 1 & 2 (25 & 50 yards) of the Operation 36 pathway. The focus is on learning, confidence, and enjoyment - all while playing real golf from the very start. The cost to join this programme is £60 exclusively for Junior Members or £80 for non-members.
