Chichester Golf Club is the leading golf club for those looking to get into golf. We have turned many beginners into competent golfers that now enjoy the game out on the course. You will learn everything you need to get started in golf and you won't do it alone.

Level 1 – Beginners first 4 weeks are FREE!

Join many other like-minded beginners for 4 x one-hour group sessions where all equipment is provided. There has never been a better time to get started on your golfing journey!

Your, 4 x 1-hour group lessons will be hosted by one of our dedicated beginner golf coaches, on the same day and time each week.

Here's what you'll learn:

- How to hold the club, where to stand, and how to swing.
- How to swing the club correctly to hit the ball where you want.
- How to make those short shots.
- How to putt like a pro.

How do I sign up?

It is simple to get started, just sign up via our website and choose a start date for your 4-week beginner course. These coaching sessions are FREE and all the equipment you need will be provided; you only have to pay £7 per week for the range practice balls.

Level 2 – Improvers

At your last beginner lesson you will be invited to carry on to our Improvers Course. This additional 4-week course is designed to help practice your skills so you're ready to hit the course and enjoy the game of golf with your new friends.

Staying with the same coach, on the same day and time, the 4 weekly x 1 hour Improver lessons become more individualised and personal to you and will cost £25 (excludes Range balls).

Here's what you'll learn:

- Driving Range & using different clubs.
- Short shots & getting the ball in the hole!
- Driving Range & virtual shots.
- Playing on a real golf course.

How do I sign up to Improvers?

At the end of your 4th beginner lesson, please let your coach know that you would like to continue playing for another 4 weeks and they will ask you to pay £25 to secure your place. You will need to continue to pay £7 per week for the practice balls at each session or pay £24 for 4 weeks.

Level 3 – Play & Learn Membership (PALP)

After 8 weeks of lessons and plenty of practice, you should be hitting those balls with ease and really enjoying the game, so why not move on to the next level? We understand that you might not feel ready to go it alone, so we have designed a new style of membership so you can continue learning and improving your golf with a weekly group lesson while also getting the chance to play unlimited golf on a real golf course.

This membership programme is designed to run for up to 30 months from the date of your first beginner golf lesson. Each stage has been set out in line with how long the average golfer needs to progress and start playing on the big 18-hole courses.
